**USS Princess Matoika**

Filesize: 62.75 MB  
In August, two men of note—both headed for Berlin—sailed on George Washington. Grant began his post-presidential life with a two-year tour that took him and his wife and entourage around the world. Princess Matoika and Wilhelmina arrived back at Newport News on 13 July.

## Cigna Foundation

The line had labor difficulties and financial difficulties throughout its existence. But, despite the effort of attending ships, she remained stuck on the ledge. Grant was interred in , a massive mausoleum in New York City.

## Cigna Foundation

Grant's touring party arrived in on February 13, traveling for a month exploring India, meeting with a number of official British hosts, and the of. On the 13th of September, after other minor stops Grant visited on the 13th and that afternoon was bestowed with the Freedom of the City, at Glasgow's City Hall, among the largest public buildings in the city, which was filled with spectators.

### **Cigna Foundation**

After being orphaned by the fighting between Polish and forces, the orphans had been taken across , evacuated to Japan, transported to , Washington, and taken by rail to Chicago, Illinois, where they were enrolled in school while searches for relatives in Poland were conducted.

### **Cigna Foundation**

On her maiden voyage to Palestine, she reportedly became the first ocean liner to fly the at sea and the first ocean liner ever to have female officers.

### **SS George Washington**

The Grant party traveled as far as , rested overnight and crossed the into Spain the next day. When convened in Chicago in June there were more delegates pledge to Grant than to any other candidate, but he was short of a majority. New Delhi: Atlantic Publishers and Distributors.
