## Drea's Costume Library

Anna Neuper's Modelbuch: Early Sixteenth-Century Patterns for Weaving Brocaded Bands by Spies, Nancy Art of Dress: Clothes and Society 1500-1914, The by Ashelford, Jane Art of The Portrait: Masterpieces of European Portrait-Painting 1420-1670 aka The Portrait , The by Schneider, Norbert Artifacts from Wrecks: Dated Assemblages from the Late Middle Ages to the Industrial Revolution by Redknap, Mark, ed. Kusumoto A, Suzuki T, Kumakura C, Ashizawa K 1996 A comparative study of foot morphology between Filipino and Japanese women, with reference to the significance of a deformity like hallux valgus as a normal variation.

## Primitive shoes: an archaeological

In 2008, a well preserved and complete shoe was recovered at the base of a Chalcolithic pit in the cave of Areni-1, Armenia.

## Prehistoric Footwear

I make no claims as to the accuracy of the information given by the individual authors. The leather finds were no exception. Footnotes on request, but keep in mind I'm 8 months pregnant and moving next month: if you want a serious diet of footnotes, start by looking at the bibliography of C.

## Early Medieval Irish Shoe

Goubitz O, van Driel-Murray C, Groenman-van- Waateringe W 2001 Stepping through time: archaeological footwear from prehistoric times until 1800. Trinkaus , suggests that this is the consequence of a reduction in the habitual loads on the forefoot related to the use of footwear which can be traced back to mid-latitude archaic modern humans Tainyuan I, China. It too has a few flaws, but not nearly as many as this book.

**169025484**

First, the leather was treated with 0. The eight-thousand-year-old shoes discovered in Missouri were made of a plant called rattlesnake master, similar to yucca. Firstly, I matched the two large parts together, drew an accurate sketch and began the search.

## **Early Medieval Irish Shoe**

It's about weaving with straw, wheat, grasses, etc.

## **Primitive Shoes by Margrethe Hald**

New York: Van Nostrand Reinhold.

## **First Direct Evidence of Chalcolithic Footwear from the Near Eastern Highlands**

EDU THORA SHARPTOOOTH Date: 8 Nov 91 13:28:00 GMT Organization: The Internet Unto the fishyfolk of the Rialto from Thora Sharptooth, greeting! Clare, Ireland on, if I recall correctly, a cold and damp weekend. Primitive Shoes: An Archaeological-Ethnological Study Based Upon Shoe Finds from the Jutland Peninsula.
