## Further Chronicles of Avonlea

Possible ex library copy, will have the markings and stickers associated from the library.

## FURTHER CHRONICLES OF AVONLEA (1987 edition)

During her tasteless attack on Robert she reminded him that he is the only failure in the family. David Bell is a Christian, but has something on his conscience. Another series to scrub off the list.

## Further Chronicles of Avonlea by Lucy Maud Montgomery

Definitely my favourite of the lot, it was just so good, and so romantic. This was the first inkling of something being strangely off about these stories because what in the hell is supposed to be romantic about this story? And didn't seem creepy at all! I like them to really mean something and am turned off by 'flirtations.'

## Anne of Green Gables Collection

Another wonderful collection of charming Avonlea short stories, ranging from the humorous to melodramatic, and every bit as enticing and delightful as the first book, Chronicles of Avonlea. And finally, the terrible Tannis of the Flats, in which a love-triangle involving an exiled Englishman and a mixed-blood Native Canadian woman leads to tragedy.
