Advisory Legal Opinion

Blueprints or floor plans of the school buildings. Section 912 relating to possession of weapon on school property. The purpose of this chapter is to establish and maintain a cooperative relationship between school entities and local police departments in the reporting and resolution of incidents that occur on school property, at a school sponsored activity or on a conveyance as described in the Safe Schools Act, such as a school bus, providing transportation to or from a school or school sponsored activity.

Advisory Legal Opinion

From information obtained from members of your staff, it appears that the Everglades Agricultural Area includes within its boundaries the former Everglades Drainage District created by s.

Laws relating to school, granted and tide lands (1903 edition)

The court failed to note, however, that the former constitutional provision was retained as a statute by operation of Art. The School Entity may disclose personally identifiable information from an educational record of a student to the Law Enforcement Authority if a health or safety emergency exists and knowledge of that information is necessary to protect the health or safety of the student or other individuals.

Section 3502 relating to burglary. The statute represents an attempt to eliminate a piece-meal approach to public land use in the state and create the processes whereby a coherent program for the intelligent utilization of state-owned land and resources can be adopted. Sovereignty lands not leased for private uses and purposes are specifically exempted from the provisions of s.

Laws relating to school, granted and tide lands (1903 edition)

Where the waters of a navigable lake are caused to recede by drainage operation, the lands so uncovered are still classified as sovereignty lands because they were originally sovereignty lands belonging to the state and the action taken to reclaim such lands does not affect their legal status.

Laws relating to school, granted and tide lands (1903 edition)

And subsection 12 of s. Where the police department determines that the report accurately reflects police incident data, the chief of police shall sign the report.
