Gender pay gap has narrowed, but changed little in past decade

Is banning sex-selection the best approach for reducing prenatal discrimination?. Gender theory is only of interest to a minority of historians.

Gender Theory

Thus, for instance, in his famous History of Sexuality 1977 Foucault maintained that speaking about sex or behaving in some flauntingly sexual way was not in and of itself a liberatory act but rather an articulation of social rules about sex and thus a participation in power and the law. However, when gender theory met studies of the public sphere in the guise of coffeehouses, caf s, academies, and other locations of communal life, social history made for a host of new kinds of studies.

For instance, their socialization, life events, home life, and relationships differ from one another.

Gender Theory

This drove her to appreciate male superiority and to throw herself eagerly into the arms of a man first her father and then her husband as part of the development of a normative, heterosexual femininity with marriage and motherhood—not career—as goals. These patterned actions, in turn, affecting individual consciousness, group interaction, and individual and group access to institutional power and privileges. Therefore, a concise authoritative definition of gender roles or gender itself is elusive.
