## A large mid

The 2006-2008 Saemangeum Shorebird Monitoring Report. © Ko, Schubert, and Hester Northwest of the existing Sihwa plant, two other tidal power plants of unprecedented size are proposed: Incheon Bay TPP and Ganghwa TPP.

## Gambling on the Future: Saemangeum

Nial Moores PhD, Personal Comment, December 12 th, 2012 Dead Spoon-billed Sandpiper, Saemangeum, September 2006.

## Gambling on the Future: Saemangeum

A particular feature is the temporary response of the bar to man-made impacts, characterized by substantial shrinking along its southwestern flank, and slight expansion along its northeastern flank. Recently, a long section of bamboo fencing was built along the coast in Samut Sakhon Province Fig.

## A large mid

Faced with this urgent pressure, utility companies have launched plans to switch to renewable energy through a variety of projects, mostly large-scale and involving partnerships with government entities. The WH process is ongoing in Korea and the Phase 2 process for China is also starting.
