A Medley of Potpourri

Most of the Goryeo songs were transmitted orally and many survived into the Joseon period, when some of them were written down using hangul.

Futurism

The last name Munari, which is widespread and appears in Bruno Munari and the invention of modern graphic design in Italy, 1928—1945 several variants throughout northern Italy, is found particularly in the Veneto region and lower Po Valley, and supposedly derives from hypocoristic forms or dialect-based modifications of the term munaro or munero miller.

Harnessing the future: the art of Umberto Boccioni

This lyric pattern gained popularity in royal courts amongst the yangban as a vehicle for religious or philosophical expression, but a parallel tradition arose among the commoners.

Umberto Boccioni

The name 'Art Nouveau' derived from the name of a shop in Paris, Maison de l'Art Nouveau, run by , who showcased some objects that followed this approach to design.

Modernism Explained

His forms are usually abstractions of the human figure, typically depicting mother-and-child or reclining figures, usually suggestive of the female

body, apart from a phase in the 1950s when he sculpted family groups.

This movement rejected abstract expressionism and its focus on the and psychological interior in favor of art that depicted and often celebrated material consumer culture, advertising, and iconography of the mass production age. In Latin, the genre grew in prestige and boldness, as major authors including Juvenal and Catullus wrote extended invectives without the cushion of anonymity. The work provides linguistic information on 10,300 original Korean poems.

Harnessing the future: the art of Umberto Boccioni

In 1926, the Futurists were admitted to the fifteenth edition and exhibited in the Soviet Pavilion, courtesy of Moscow after the Soviets decided not to participate, thereby granting Marinetti ample exhibition space. Over the next six years, he edited twenty issues that featured most, if not all, of the key Revival poets and carried reviews of books and magazines from the wide range of small presses that had sprung up to publish them. Duchamp ermöglichte durch die lose Zusammenstellung seines Schachtelinkantes die unterschiedlichsten Kombinationen und ein Höchstmaß an freier Interpretation, was vergleichbar mit dem Aspekt des Gleichwertigen und Mehrdeutigen einer Renaissancesammlung ist.

Modernism

The object remains an object, only expanded and less specific. It emphasizes the poetry found in ordinary places, and employs traditional poetic forms such as the Shakespearean sonnet as well as free verse. These performances were intended as works of a new art form combining sculpture, dance, and music or sound, often with audience participation.
