## The Geology of the Mexican Republic

This candlelight function, with Frank and Ingrid Vokes at the head table, stood out because of excellent food, superb service, almost unlimited supplies of good wine and Gunnar Juve as toast master with his inimitable sense of humour.

## Soviet Union

Indeed it is unnecessary for me to introduce General Wyman, since no person is better known than he on the whole American Continent.

## Illegal Mining: Organized Crime, Corruption, and Ecocide in a Resource

Has the European manufacturer any advantage in this respect? These problems are not limited to Europe - they are of global significance and they also concern our colleagues in Australia and Canada. Indonesian Journal on Geoscience, 12, 71-81.

## Full text of Latin America, a handbook for merchants, manufacturers and

While there is a great similarity in the laws of the twenty republics, nevertheless they vary materially and the procedure in general is complicated. Published by the Mineral Research Soc.
