31 Days with Saint Ignatius at quizapp.evertonfc.com

Ruff introduces readers to this aspect of the Spiritual Exercises.

The Spiritual Exercises of St. Ignatius Loyola

Fleming, SJ The essential activity of prayer springs naturally from our humanity.

35

But there is something strange and beautiful that I discovered about the 30-day retreat and St. Give me Thy love and Thy grace, for this is sufficient for me. It was intended to help the person who directed another in a structured thirty-day or even 10-month long program of prayer and contemplation.

Reflection on a 30

It will take me years to learn to live out of the graces of this time. The building itself was intimidating on my first night there.

Reflection on a 30

And particularly, two healing images which arose repeatedly in prayer have significantly changed how I live. One example of the great investment that God is willing to make to meet us where we are, is the Jesuit path of formation itself.

Retreats

You set aside four weeks one summer, buying the cheapest ticket you can to Cuernavaca, Mexico.

The Spiritual Exercises of St. Ignatius Loyola

Are you laboring under a chronic health problem? Produced by Georgetown University George Aschenbrenner, SJ, joins the Jesuit pioneers from the first session as they narrate the history of the training programs that made the one-on-one experience of the Spiritual Exercises accessible to the larger community.
