## O Reg 685/93

Status re-examined and confirmed in November 2001 and in May 2005. Under SARA, a species of special concern is a wildlife species that could become threatened or endangered because of a combination of biological characteristics and identified threats. History As in the case of national parks, provincial parks originated at the end of the 19th century as a result of growing concern among civil servants, politicians and the general public about the depletion of natural resources, the degradation of scenic places and the need for an ever-expanding and increasingly urbanized population to have opportunities for recreation in a natural setting.

## What's wrong in Rondeau? Part one: The park and its cottages

The competent ministers will report on progress within five years. University of Wisconsin Press, Madison. Québec's first provincial parks were created contemporaneously to those in Ontario and for similar reasons.

## What's wrong in Rondeau? Part two: OMB turns down HCD

Canadian distribution of the Pugnose Minnow. Nursery habitat is believed to be depths of 0 — 2 m in areas containing aquatic vegetation Lane et al.

## Protected Places: A History of Ontario's Provincial Parks System

Please do not contact the park directly with lease questions.
