TRAIL OF A UNICORN

Two wooden rockers create the rocking base, and two handles up top give your child a place to hold on to as they play. It is more than 6 ft almost 2 meters long and 3 ft high; this must have been a monumental no pun intended! How can Donald and Huey, Dewey, and Louie possibly get the unicorn — and what would be their very handsome fee — when they're competing with the luckiest guy in the world? A unicorn is a mythical creature that is usually depicted as a majestic white horse with a single horn protruding from its head.
