You cannot just stand in front of everybody and read your lines. Usually, in companies, management stresses more on decision-making skills.

## **Leadership in place : how academic professionals can find their leadership voice**

So what are the areas that are important in the workplace, with respect to presentation skills? Adopting this approach helps humanize the workplace while making you a better nurse leader. Remember, hearing and listening are not synonymous terms. A leadership speech is a particular kind of speech that is used to deliver a strong message with the purpose of influencing others and providing inspiration when necessary.
