Houwink ten Cate and N. They also knew that they could count on the various far right movements, which were itching to take power in the north and south.

Collaboration with the Nazis: Public Discourse after the Holocaust (Routledge Jewish Studies Series)

Wealth was attainable in the occupied territories of Eastern Europe and plans for the Danes to do business in the German Grossraum were initiated immediately after the German attack on the Soviet Union in 1941.

Antikythera Man

We treated the QS mutant strain MW1 with anthranilate and observed the biofilm formation using fluorescence microscopy.

Antikythera Man

About half of the Jews deported after October 2 — 197 in total — had been arrested due to the intervention of a single man, the Gestapo chief in Elsinore. The history of the internment plan is not suppressed in Danish historiography. A MW1 harboring pAB1 was used for biofilm formation.
