I might order a few more for Christmas gifts! DK's aim is to inspire, educate and entertain readers of all ages, and everything DK publishes, whether print or digital, embodies the unique DK design approach. Seriously, do yourself a favor and go to your favorite bookseller and procure a copy of a real travel guide. Bought this used as a replacement for one I lost in a flood.

Equally, there is also a very good section on the Lower Shannon which to my shame I have yet to visit. The material in the Experience section is tightly integrated with numerous photographs, maps and guided tours of each area but fewer of the street level diagrams that used to make the older guides such a pleasure to browse. From the dramatic coastline of Northern Antrim with the extraordinary basalt columns of the Giant's Causeway to the sweet wooded valleys and sparkling streams of Killarney.,

Dublin: History Economy Culture Climate Eat Drink Sleep Get out 4. Obviously, it CAN look as marvellous as pictured, and it does have unique geological and historical features, but normally it looks a lot like England or Wales sorry for the heresy on an ordinary British Isles-y kind of day. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to.
