This paradox, too, contributes to the double-faced nature of the text as the ethical dimensions of the story are complicated by Nabokov's artistic concerns. His work has been translated into Italian, Polish, Turkish, Finnish, and Portuguese. Humbert is not, however, his real name, but a chosen pseudonym

## A JANUS

One of the first things Nabokov makes a point of saying is that, despite John Ray Jr. I have read multiple books on the subject, and none of them exhibit the insight, depth of inquiry, or comprehensive analysis found in this volume. Written in an easy-to-read, accessible style by teachers with years of classroom experience, MASTERWORK STUDIES are guides to the literary works most frequently studied in high school.
