## Used Car Classic: 1983

The question is whether Zuffenhausen will finally give us what we've been asking for — and give the and of this world a run for their money down the Autobahn, just as it has on the race track. Because the car had such limited distribution, not many enhancements available for this model. The rear apron was integrated into the smoothed rear bumper.

## Porsche 944 vs Porsche 968

Author: Lance Cole Publisher: Crowood ISBN: 1847973523 Size: 64. This year the German automaker marks 40 years of the transaxle: front-engined sports cars with the transmission and driven wheels at the back. It also arrived a good half decade after the 928 was retired.

## Car Collectibility: Why Porsche 924, 928 & 944 Are Cool Again

During the 1980s, Porsche honed earlier 924 designs to create the 944 and its Turbo and convertible variants, and later the 968, completing a line that has produced some of the most respected sports cars of the modern era. Buy one of these cars if you can find one: the 968's are absolutely great cars.

## Porsche 968

This greatly limits how you need to sit and provides less head room.
