## FRENCH SILVER MARKS

Made to order, each item is unique numbered and delivered with a certificate of authenticity. A chalice in the Henry Birks Collection of Canadian Silver illustrates another tendency: an eclectic spirit.

## FRENCH SILVER MARKS

These exceptional items through their design, dimensions or specifications, are identified in the goldsmith production by a vintage stamp, indicating the year of their manufacture.

## FRENCH SILVER MARKS

The Haute Orfèvrerie workshop is also a laboratory for technical experimentation. Optional fields allow us to personalise your customer experience but are not required to create your account.

## Haute orfèvrerie

The collection offers contemporary creations or emblematic artefacts of the House reissuing. Other pieces in the Gucci Flora line marry intricate goldsmithing techniques with charming designs. Please note that your data may therefore be communicated to some of our providers in charge of processing it or likely to use it, such as those in charge of customer management, sending our emails and running our advertising campaigns.

## Haute orfèvrerie

. Dans l'art de l'orfèvrerie, les Mixtèques ont créé des œuvres d'une délicatesse surprenante. For the purposes of processing, analysis or performing the subcontracting tasks listed above, your data may be transferred to our subsidiaries and subcontractors located in the United States,

Canada, Japan, China, Hong Kong, Singapore and Australia.

Today, depending on the case, Maison Christofle produces models using traditional techniques, or uses contemporary techniques such as scanning, modeling and 3D printing. Des pièces d' orfèvrerie et de porcelaine de Sèvres précisément datées complètent la présentation. This workshop has two Meilleur Ouvrier de France in goldsmithing.
