Population Census Parameter Census Data Total Population 1759 Total No of Houses 335 Female Population % 46. Although it's hard to grasp exact points of its evolution, the oral tradition of this genre came to be followed by musical experts only to expand its sphere not only to commoners but also to aristocrats. It never appeared in either journal A or journal B.

### **Korean dance**

It is evident that Baekje also celebrated a harvest festival in May and October similar to that of Goguryeo.
