RANDOLPH, BERNARD The present state of the islands in the archipelago, (or arches) sea of Constantinople, and gulph of Smyrna; with the islands of Candia, and Rhodes...

The descent from the heights is comparatively gradual to a plain three miles distant from Bazar-keuy, the low mounds of which we descended, with the stupendous range of Olympus towering behind them.

RANDOLPH, Bernard (1643

A lover of modern gardening, as introduced into England by the GotJis came to Conftantinople to fue for peace, and they were permitted to eslablifi themfelves in Myfia and Thrace.

The Present State of the Islands in the Archipelago (or Arches)

He had a triumphant reign of thirty-three years, and recovered the island of Lefbos from the Venetians. It was fo flattered by the dreadful earthquake in 1768, that it was nearly rebuilt by Mustafa III.

Πανδέκτης: The Present State of the islands in the Archipelago (or Arches). Sea of Constantinople, and Gulph of Smyrna; with the islands of Candia, and Rhodes. Faithfully describ'd by Ber. Randolph. [Bound with: present state of the , London 1689.]

If they have no husband or brother, under whose protection they could leave the harem, they are bound to marry, for the express purpose of obtaining one to perform this duty. This constant and regular trade-wind is peculiarly favourable to the commerce of the port, as ships are wafted by it to their stations with the unerring certainty of steam-boats.

Map of Greece with the western shores of Asia Minor. On the lower part a the map of Istanbul is provided as well.

Several palaces in this vicinity are.

Greek priest and Greek woman in traditional costumes of the Aegean islands.

At Rome some fine specimens are preferred. Our illustration represents a group of a caravan of the faithful, proceeding from the northern to the southern extremity of the empire, to perform this pilgrimage.

The present state of the islands in the archipelago, or Arches, seas of Constantinople and gulph [sic] of Smyrna with the islands of Candia and Rhodes / faithfully describ'd by Ber. Randolph : to which is annexed an index shewing the longitude and latitude of all the places in the new map of Greece lately published by the same author.

XV ; supposed by the Greeks to poison fountains, ib. The present representative is active and liberal, and preserves the only effort in the empire to- ward an efficient and honourable government ; which benefit has gradually resulted from hereditary succession.

The Dodecanese in 1912: The Physical, Social and Historical Setting

The Austrians immediately searched, and found a larger one, which they sent back in return — implying that the cannon of the besieged was still more powerful than that of their assailants.
