The Game Player: Confessions of the CIA's original political operative by Miles Copeland Jr.

It looks very much as though the dangerous enemies of the future may be not only states, as has largely been the case until now, but also terrorist gangs, fragmented factions, and deranged individuals supplying one another with whatever is needed to fabricate or purchase weaponry. Smith imposed himself by force of personality as well as high rank. Below you will find a map showing the outline of The Shia Crescent note the relationship between this map and that of the Iran-Iraq-Syria pipeline , and a map of the Shia—Sunni Demographics in the Middle East approximately.
