Frances Xavier Cabrini

Their foundress' name lives on in Chicago's Cabrini Street. Although up to that time, she experienced contradiction after contradiction with regard to her religious vocation, she emerged from all this a truly holy nun. Ordinarily, the Canonization of a saint takes place many years, centuries even, after that person's death.

Cabrini

The book remained on best-seller lists for months, and was eventually chosen for the main selection, edging out 's , which was published the same year. The institute was now extended throughout all the province of Lombardy.

Short Biography of Mother Cabrini

Meanwhile, many novices were being received and personally formed by the young Foundress. Instead, she moved her nuns into the Italian slums and immediately opened an orphanage. In the 1980s, Archbishop Pio Laghi, then papal nuncio to the United States and eventually prefect of the Congregation for Catholic Education in Rome castigated the bishops for their pastoral negligence in this regard.

St. Frances Xavier Cabrini Biography, Life, Interesting Facts

Francis Xavier Church and renovated during 1973—1975, and joined by a library wing in 1993.

Mother Cabrini: The First American Citizen to be Named a Saint

Her feast day is celebrated on November 13 and she is the patron saint of immigrants.

Immigrant Saint: The Life of Mother Cabrini by Pietro Di Donato

She was the first U. They may not provide immediate answers to people of a very different time, but they surely offer food for thought. Through her personal tenacity as well as her willingness to live among the poor, Mother Cabrini set an impressive example for those trying to enact social reforms.
