## Regenerate, Fate

When traveling beyond a certain speed, a passenger is required as the stabilizers cannot handle such speeds. It also injects a Bugster removal program when executing punches to do more damage.

## Okini Land

Later, however, when I could think more objectively, I began to wonder whether my explanation had not been too simple.

## Hyadain no Kakakata Kataomoi

I am not much of a thinker, but the few ideas that I do have, I have no wish to hide from others.

## Kikai Megami Sura

Natsume was also responsible for one of the other great bestsellers in Japanese history, — which has also received its own anime adaptation, one I should delve into at some point — and that book was as sorrowful and powerful as Bōtchan is light-hearted and free-wheeling. Anh trai của bố, tức bác của tôi là một bác sĩ.

## Monkey Punch's 'Bōtchan': Laugh, It's A Classic / Ganriki

Tôi dự định là sẽ học tập tại nước ngoài.
