Vi letar och letar och letar... sen letar vi lite till, och jag börjar bli svettig av bara tanken på hus. From Odense, the next top on this Danish road trip is Roskilde, less than two hours away by car. Among other areas, the collection includes 19th-century ballooning exhibition posters, early 20th-century airplane exhibition and meet posters, and twentieth-century airline advertisements.

## 61 Scandinavian art ideas

The posters in the collection represent printing technologies that include original lithography, silkscreen, photolithography, and computer-generated imagery. But it was not until , the most of all Catalan architects, started designing in the 1870s that anything of more than marginal interest was built.
