So i know how crappy it can be. As in the previous volumes, it is also hilarious as Spike outlines their experiences and the exploits that he, and his mates, got up to. Saving the little ammo I have for home defense....

**Close**

Boat, small plane, fuel, dehydrated foods, etc. While this number itself is exaggerated, it also refers to a cap on the number of rounds of ammunition the entire DHS can purchase over a five-year period, not the rounds actually purchased.

Who in a right mind would spend 2 grand on ammo? So, somehow, an operation is updating our bullet style definition, even though that should not be possible because automatic updating is disabled? I figure once it starts as long as you have a fairly good supply to protect yourself, you may be able to just resupply from the bodies in the street. Shortages in most pistol ammo,. Several people who have purchased guns from me in the past calendar year: one is a rancher whose house burnt down.

**Ammo Shortage**

Where one of my local gun shops used to have pallets consisting of thousands of rounds of 9mm ammo, now they are lucky to have just a few boxes, if that.
