Sexual Traits Based on Zodiac Sign

Midpoint Observatory: Sex in the Horoscope

Because they are extremely verbal and sociable, they get sexually turned on through mental stimulation and verbal foreplay. Pisces lovers should explore the benefits of tantric sex: By focusing on breath, movement, and harmony, they can erotically explore both their physical bodies and subconscious minds. If they feel a romantic chemistry, they can tap into their powerful sex drive.

Sexuality In The Horoscope by Noel Tyl

This young at heart lover is very open-minded in the bedroom and are all about experimentation.

The Sagittarius Sexuality

A badly afflicted Eros could mean someone who has trouble knowing how to express themselves sexually to their partner, or someone who is terrified of sex in general.

The Best Sex Position for Your Zodiac Sign

When it comes to amplifying your satisfaction between the sheets, it never hurts to take a cue from your sun sign. In many countries, it is considered unsocial and inhuman. In addition, Mars is usually retrograde — much more often than in heterosexual charts.

Astrology on the Web: Sexuality by the Stars

This way, your first touch will be met with maximum anticipation. Remember, sex should be fun, not stressful.
