Although Piet Mondrian seceded from the group in 1923, he remained faithful to its themes until the end of his life by which time he had become one of the most famous of all abstract painters.

Hannah Höch

We become aware of our breathing and come home to our body, fully present for ourselves and whatever we are doing. POST-MODERNISM Post-modernism, as it appeared in the 1970s, is often linked with the philosophical movement Poststructuralism, in which philosophers such as proposed that structures within a culture were artificial and could be deconstructed in order to be analyzed. Note: For styles of art and architecture approved by the Nazis, please see: 1933-45.
