## Theogony (Article)

The glowing Sun never looks upon them with his beams, neither as he goes up into heaven, nor as he comes down from heaven. But when he has fulfilled his malady until the full year, 800 then another after another more severe trouble succeeds for him. From the sea foam came , and with her came and.

## Theogony Summary

Also deadly Night bare Nemesis Indignation to afflict mortal men, and after her, Deceit and Friendship and hateful Age and hard-hearted Strife. She ignored this very obvious warning and proceeded to do so anyways. All the land seethed, and Ocean's streams and the unfruitful sea.

## Theogony Summary & Analysis

Gaea and Uranus, however, warned him that Metis would have powerful children — including a son who would overthrow him. He didn't piss about with praising the Gods. Nor was there any riddance or end of severe contention to either party, and the completion of the war was extended equally to either.
