Only half of the recipes in this book are for the freezer, the other half are make ahead for the fridge recipes some of which could be frozen. Plus it's a great Time Saver for other recipes. Many freezer cookbooks just tell you not to freeze fried foods, not Betty Crocker.

**Betty Crocker's Do**

Spine creases, wear to binding and pages from reading. Directions describing how to cool, wrap, label and freeze dishes are on pages 84-87.

## **Betty Crocker's Do Ahead Cookbook: [Recipes For The Freezer And The Refrigerator] by Betty Crocker**

If you have already submitted another request to index a book or magazine yourself, please do not make any additional requests until you have indexed and submitted that book or magazine. Big Cons: This book is old and research in food safety has come a long way since it was written. Some of the pull out boxes with tips are outdated and should not be followed.
