## Beer and cider heaven

Still abandoned, it is a moving place that is worth a visit just for the atmosphere. Enter George Whelplay, who in the 16th century failed to make any headway in countering popular local support for smuggling. The only option was to go into the ladies loo where there is a large accessible cubical.

## All hail the Ale

A cover for smuggling While he developed his smuggling skills, Gulliver had to have an alibi .

## Isaac Gulliver

This clever ruse apparently had to stop when one of the revenue men invited Lovey for a glass at the Eight Bells in Christchurch.

## Beer and cider heaven

Now a ruin, the chapel lies at the heart of a magical, time-warp landscape of flower- and butterfly-rich pastures and hedgerows beneath Golden Cap. . Two smuggling luggers had shipped across from the Channel Islands a huge cargo tea and brandy, and on July 15th a crowd of some 300 people was busy unloading the luggers at Mudford beach, just east of the Run.

## Dorset

The beaches, bays, cliffs and coves are the backdrop to a gutsy and sometimes bloody history.
