His writing on politics and urban-planning issues has appeared in The Baffler and The Guardian and on CityLab and Al Jazeera America. Ultimately, she and Buffum agree, their efforts are creating a healthy ecosystem, a healthier environment, and a more economically viable working waterfront. When the customer had had his fill, he signaled again and the shells were stacked, counted by the dozen, and the bill rendered.

## Consider the Oyster on Apple Books

Rather dated, but some good writing about the life of oysters and their culinary history. Seeing it in a book swap and recalling, from an encounter years ago, that I was determined to read one of her volumes someday, I picked it up, thinking I'd breeze through it and return it to the swap--I'm trying to pare my library.
