'Never Again': From a Holocaust phrase to a universal phrase

I was almost a boy. These interesting particulars came gradually, as Marianne brewed the promised toddy. This was concession, for had she not flounced her intention of sending it in Mrs.

Holocaust Never Again Quotes

You and I might like to believe that in our world today it is impossible that this fact could ever be forgotten but, looking across the globe, and the country not only is that not so but we encounter deniers who lie to themselves and others by insisting that none of the nightmare that was the Nazi's Final Solution ever even happened. But he was grateful to the Post for being so coercive and superseding, and cancelling all considerations of—of what? Challis was quite a young man then, and a friend of the first husband's, and she was young.

It's important someone can always bear witness to who we were and how easily all of that hatred happened and how it can happen again.

He was a married man, certainly; only, then! Said Steptoe had been turning the cupboards over when we were away at Easter, and cooked it all up.

The 1935 novel that predicted the rise of Donald Trump

Like McCarthy, Trump is regarded by people who know him well as vastly more interested in publicity for himself than he is about the issues on which he inveighs.

Holocaust Never Again Quotes

Clearly, I shouldn't kill myself, or shouldn't have done so up to date, as he hasn't.

Full text of never can happen

But a respectful reference by Elplinstone to the many minutes ago that the first gong sounded causes a hurried flight to dress.

'Never Again': From a Holocaust phrase to a universal phrase

After IT NEVER CAN HAPPEN AGAIN 11 all these years! Wraxall, to bar cases of murder by the policy-holder, of whichever sex. A chit-extemporised dance was afoot on the close-cropped turf.
