Look Over Here

Reagan the unyielding was at his best when deftly responding to circumstances, and at his worst when standing his ground.

The Politics of Repudiation 1992: Edging Toward Upheaval

From the 1950s to the 1990s, being young in the west was often associated with lounging around, or rebelling, or living for the moment. And one of my longstanding complaints about partisans generally is the clear and obvious lack of principles whenever they conflict with expediency or ideology. Or when Koch, Mercer, Adelson Miriam, etc.

Hollywood from Vietnam to Reagan... and Beyond: A Revised and Expanded Edition of the Classic Text on JSTOR

. Headed by retired Navy Adm

The long read: why Ronald Reagan is still the king for US Republicans

So, there was a very interesting dynamic that you see beginning with Richard Nixon and reaching a certain sort of maturation with Ronald Reagan and bequeathed to all future Republican leaders prior to Donald Trump, that you weaponize a certain kind of demagogic politics. Ron writes of getting locked at night into the park where Reagan served as a lifeguard and having to go off-road around the gate to make his way out. I also think Dwight Eisenhower did and Franklin Roosevelt too.

2016: Political, economic and social upheaval : Diplomat Magazine

Intended as dystopian science fiction, they quickly began to seem like more like satire, or even social realism. The massively popular Hunger Games novels and films, about young people being forced to compete to the death with each other by a cruel, middle-aged elite, came out between 2008 and 2015. People have long used decades to frame the past.

A Brief History of the Drug War

The huge insulated containers the riders carry on their backs, like uglier, unprotective snail shells, seem to say: Work is a burden you must accept, however much of your dignity it takes away.

Upheaval by Lou Dobbs, Paperback

The Libertarians are articulate and somewhat rousing with their particular brand of anarcho-iconoclasm. Just to note, the Dems are now significantly closer to this state of affairs, essentially eliminating the super-delegates.

Arab Spring Countries: Beyond Political Upheaval and toward Inclusive Growth

As I asked, what is their endgame? After Israeli troops took part in a massacre of Palestinian refugees in southern Lebanon, Begin ordered a withdrawal of his troops. Now ad 4 million truck drivers. Hung parliaments; rightwing populists in power; physical attacks on politicians; Russian influence on western elections; elderly leftists galvanising young and ; rich, rightwing leaders in both countries captivating working-class voters — scenarios close to unimaginable a decade ago have become familiar, almost expected.
