What Is Postmodernism?

In Symbolic Exchange and Death 1976 , Jean Baudrillard uses Lacan's concepts of the symbolic, the imaginary, and the real to develop this concept while attacking orthodoxies of the political Left, beginning with the assumed reality of power, production, desire, society, and political legitimacy. Put another way: deconstruction makes one open to meanings and subtexts that may lurk beneath the surface of the language being presented.

The Post

As I listened though, I wanted to learn something more about what this Dr. Instead, they emphasize continuity, narrative, and difference within continuity, rather than counter-strategies and discursive gaps. Justice, then, would not be a definable rule, but an ability to move and judge among rules in their heterogeneity and multiplicity.
