Why I Regret Being a Vegetarian

Mary Shelley precisely renders Rousseau's ideal diet in the Creature's narrative. Am I being complicit if I associate with others who eat meat, and patronize places that serve meat? I truly hope that in the future I

am in a position to make real change regarding this issue.

How I Found Empowerment in the the Black History of Plant

This provides insights into the identities of participants, and how diet and identity interact. Owen Rogers is from northern Illinois, raised in the suburbs of Chicago.

The Ethics of Eating Meat

In dollar terms it is more efficient to have a thousand cows in a high-density feedlot, eating corn monocultured on a chemically-dependent 5,000-acre farm, than it is to have fifty cows grazing on each of twenty 250-acre family farms.

Adams, Vegetarian

And it took years before I got on a healthier path. I have always known in my heart that animals are people. The creator was not an authority on anything other than someone that watched An Inconvenient Truth.
