Fan Studies

It has become more and more an unavoidable part of our lives. The child on screen, the child viewer, and the child star continue to be influenced by concepts of childhood that first emerged in the 19th century, eliciting discourses of harm and protection and attracting waves of moral panic in different eras.

Classical reception studies

Jodi Dean is a Professor of Political Science at Hobart and William Smith Colleges in Geneva New York. Similarly, his research on politics and social movements expresses itself in his real world political activism. The Frankfurt School is, in this way, responsible for founding a tradition of ideological criticism that reads media texts for their ideological content.

Classical reception studies

Jung, Department of Modern and Classical Languages, Fans of Hallyu Wanted for Research Study: In-depth Interviews We are seeking fans from diverse racial and ethnic backgrounds to learn about their experience with Korean popular culture.

Critical and Cultural Studies

In particular, both were celebrated constantly by MTV which had entire weekends, and even weeks, devoted to publicizing their work and fame. In his foundational essay on the topic, Hall poses that language has been understood primarily in one of two ways: as reflecting the world it describes as it really is, or as carrying the message that was intended by the speaker.

Classical reception studies

Posted in Registration is now open for FanLIS: Building Bridges. Next, this bibliography focuses on how scholars have analyzed fan communities as sites of interpretation and evaluation see , production see , and social and economic exchange see. Political economy also calls attention to the fact that culture is produced within relationships of domination and subordination and thus reproduces or resists existing structures of power.

Media and Popular Culture

Formal proposals under 300 words and short bio should be emailed to Rebecca Williams by 3 May 2021. Frequently, popular culture works to support oppressive power structures, but popular culture can also be produced by the people or the masses and therefore provides a space for potential political resistance.

Cultural Studies and the Study of Popular Culture on JSTOR

Fan studies began as the study of fan reception but has increasingly been recentered around forms of fan cultural production, especially as new forms of digital culture have rendered participatory culture practices more visible. In more recent cultural studies, however, there has been a turn -- throughout the English-speaking world -- to what might be called a postmodern problematic which emphasizes pleasure, consumption, and the individual construction of identities in terms of what McGuigan 1992 has called a 'cultural populism'

Classical reception studies

General Overviews Many early works in fan studies see and , both cited under sought to describe the full scope and range of fan cultural production, but there has been an increasing focus over time on more specialized accounts of specific fan communities and practices. Durham: Duke University Press, 2009. Introduction Critical and cultural studies of communication are focused on the analysis of cultural artifacts and practices in relation to the social formations in which they exist.
