fall outfits that are timeless

Support 40+style by using the links in our articles to shop. A trench coat works just as well for fall as it does for spring because it protects you from the elements without adding too much bulk. Paco Rabanne sent chainmail snoods worthy of medieval times, while Michael Kors went more practical with knitted hoods you'll be thankful for come winter.

Fashionista's 20 Favorite Fall 2020 Collections From Fashion Month

This decade's first big hair trends include looks at every length that can be tailored to your hair texture and personal style. Get this similar , , and to steal her look. Kristina Petrick, creative and marketing director for , recommends donning a gold chain to make any outfit sparkle.

Autumnal colors never go out of fashion, nor do coats and jackets like the moto jacket, the trench coat or the classic wool, belted coat. Check out these white blouse options from , , and .

Fall Fashion Trends

But there will be a few tweaks. Get this similar , , and to copy her look.

Favorite Fall Fashion Trends for 2020

Rather than a black leather knee-high pair of boots, you might want to think about a suede pair in a softer shade such as brown, tan or gray. As always, all thoughts and opinions are my own. Erickson suggests trying out a few different shapes to see which one suits you best, and opting for a slimmer pant if you're going for an oversized look on top.

Ree Drummond's Fall Wardrobe

It looks just as cute left open, too, and is super soft! Check out this similar , , , and .

Ree Drummond's Fall Wardrobe

Several are included in the sale! They fit very true to size and come in several colors and patterns. When it comes to this trend, you have a lot of options to play with, from leopard and cheetah print jackets and dresses to zebra and snakeskin boots.
