Diary of a Bad Year

A well-respected, but aging and infirm author living in Australia has been invited to submit his thoughts on the world to a German publisher. Reading Group Guide INTRODUCTION J. Apr 14: Damn, I should have done my taxes in February.

Diary of a Very Bad Year: Confessions of an Anonymous Hedge Fund Manager by Anonymous Hedge Fund Manager

And his opinions are indeed strong. For example, such trading systems tend to be based on similar models and make similar assumptions, exaggerating the effects of a crisis when one occurs. Surprisingly readable explanation of the economic forces that brought about the 2008 crisis: the wave of foreclosures, taxpayer-sponsored bailouts, and the return of almost all of the bankers involved to business as usual.

Diary of a Very Bad Year: Confessions of an Anonymous Hedge Fund Manager by Anonymous Hedge Fund Manager

This is why the Kindle is so great: I read a review of this book in the New York Times, read more reviews, downloaded it, and then carried my Kindle with me as I did everything until I finished reading it.

Just like life

In this way the short, dry essays 'opinions' keep dominating this book, at the expense of the real story line. The second is a running commentary of the author's thoughts. I read the work of other writers, read the passages of dense description they have with care and labour composed with the purpose of evoking imaginary spectacles before the inner eye, and my heart sinks.

Diary of a Bad Year

Three reasons to fire: 1 Employees aren't effective in the role and should be routinely let go. He gets to be preachy within the bounds of a story. C's political writings, which seem deadly serious, are accompanied by an attack on his credentials as a guru - an attack growing out of the questioning of the novelist's authority that preoccupied Coetzee in, for example, Foe 1986.

Diary of a Bad Year by J.M. Coetzee

In fact, each page of consists of two or three panels. It is impossible not to imagine Coetzee as the senile writer if you know him.

Diary of a Bad Year by J.M. Coetzee

But more than that, it's a poem; an ode to the aesthetic beauty of modern financial capitalism, a subject sadly underexplored in literature. All supposedly very good but dipping into them I drew a blank.

Diary of a bad year : Coetzee, J. M., 1940

I can't help but wonder what the experience would have been to read the book in a different order. Many people in the hedge fund world felt bailout was too easy on banks once immediate financial crisis was over, but to people in the banking world where many of the regulators came from more extreme solutions were unimaginable Where I heard about it: Matt Levine Bloomberg Excellent, readable introduction to the economic crisis of 2008-Present. The format of Diary of a Bad Year is, at first glance, daunting.
