## **Charlotte Perkins Gilman: Herland, Chapter 9: Our Relations and Theirs (Charlotte Perkins Stetson Gilman)**

He could tell us only what the others had—a land of women—no men—babies, but all girls. Gilman elevated into a theory of social evolution the changes that perspicacious women saw happening around them; she urged women to move to the direction already pointed out by leaving their ancient, unspecialized, home occupation, following the path marked by modern industry and professions, and exercising their full human capacities in useful work of all sorts Cott, 1987, p. Lane then goes on to discuss what Chamberlin told her in that and subsequent interviews and to relate their content to what Chamberlin wrote about her mother in an autobiography and in correspondence with archivists interested in her mother's papers.

## **Charlotte Perkins Gilman: Herland, Chapter 1: A Not Unnatural Enterprise (Charlotte Perkins Stetson Gilman)**

I remembered the cheerless claim that the human mind was no better than in its earliest period of savagery, only better informed--a statement I had never believed. There are few things that don't. Page 115 Above all, the women of Herland cherish motherhood.

Let's go on home with 'em, and then come back—just us—have a little expedition of our own.

## **OPINION**

Van often remarks of their intelligence, clever innovations, and creative blending of art and science. Gender as a Social Construct What this book exemplifies successfully is how—in the absence of a gender binary—women are free to be human.

Woman's Christian Temperance Union WCTU : Founded in 1874, WCTU is the oldest nondenominational women's organization in the world. Women of that stage of culture are quite able to defend themselves and have no welcome for unseasonable visitors. Key Related Ideas From the

beginning of her activist career, Gilman knew that suffrage was not the singular remedy for the unequal and inferior treatment of women.

### **To Herland and Beyond: The Life and Work of Charlotte Perkins Gilman**

Even if some women are quick to yell, are there not a plethora of women who choke back their words to remain poised? Women have always been spinsters.

#### **Charlotte Perkins Gilman**

It was funny though, in the light of what we did find, those extremely clear ideas of ours as to what a country of women would be like. Thus through popular fiction as well as intellectual writing and speaking, Gilman attempted to reach a wide variety of people with her social commentaries, especially women, in an attempt to awaken them to her revolutionary ideas. Terry was strong on facts--geography and meteorology and those; Jeff could beat him any time on biology, and I didn't care what it was they talked about, so long as it connected with human life, somehow.
