## Table of Contents: Metal

The content of this print on demand book has not been changed. These results are all consistent with a simple quantum confinement model of emission where particle size determines emission energy and surface passivation determines emission intensity.

### L' Islam, religion et société (1982 edition)

Thakker, Chaitanya Sathe, Angada B.

### Publications of Dr. Pankaj Misra

The booklet contains biographies of many residents of Platte County in 1882.

### Sol

Chapter activities during the past year include: successfully creating a new and improved version of the MRS Chapter Newsletter and participating in the Symmetry Scapes '97 contest.

### Dr Egor Muljarov

In a new initiative on biomaterials jointly with Dr. Due to the fact that Professor Dunand took a leave of absence to Northwestern University, Professor Lorna Gibson took over as chair of the Undergraduate Study Abroad Program Committee, and she has continued the work begun by Professor Dunand.
