Shambaugh of DeKalb County, further cloud the earlier claims of legitimacy. In 1850, roughly 50 percent of the county's families owned slaves. The General Assembly after the 1860 elections, consisted in majority of men who were considered conditional Unionists pro-Union but against coercing seceding states to remain in the Union , but at one end of the spectrum were a large number of pro-Southerners and on the other a small minority of unconditional Unionists.

## Timeline: 1861

This was pretty typical talk for a Constitutional Unionist.

## **Missouri Civil War Battles Casualties Army Soldiers Killed**

Confederacy is a term used to identify the states that seceded from the United States and formed their own separate government during the Civil War.

### **Gamble, Hamilton R.**

When multiple documents are available for a convention, they are presented below the respective conventions with indentations. On the contrary, such treatment is far more likely to destroy than to make an army.
