### Northwest Coast Region

We feel confident now that it will be preserved for everyone to enjoy. Her work includes analysis of co-management arrangements collaborative or cooperative management between Indigenous communities and state agencies.

### Amazing collection of Native American basketry

He and his entourage created agreements with natives in Humboldt Bay and the lower Klamath River. During September and October they traveled through Shasta territories by generally following the Siskiyou Trail.

### 110 Hupa, yurok,karuk ideas

Berkeley: University of California Press, 1980. Various tactics for stabilizing damage to basketry range from purely mechanical repairs sewing or splinting, for example to methods that rely on adhesives. You have little food and ammunition.

### Ernie's Place: American Indian Wealth.

Despite the occasional skirmish there was some commercial and cultural exchanges between the peoples.

### California Indian Baskets

They were credited with the ability to inflict mysterious sickness by sorcery, and only they could relieve the victim of such magic. She was a medicine woman in the tribe that kept our ceremonies going during a time of great pressure by the Federal Govt.

### Michael C Fina Co Silverware Catalog circa 1950's Sterling Silverplate Holloware Aluminum

Regardless of their conflicts over the Bear Creek Valley, the Takelma were active trading partners with the Shasta and were a major source of dentalia. The Shasta wanted to retain the entirety of Scott Valley for their designated reservation.

## **Basketry**

While disputes and raids occurred with the Wintu, they were apparently not as destructive as warfare with the Modoc. The Hover Collection contains 48 images depicting early 1900s life along the Klamath River in Humboldt and Siskiyou counties, California within the Karuk Indian homeland region.

### **Michael C Fina Co Silverware Catalog circa 1950's Sterling Silverplate Holloware Aluminum**

Mason's 1889 report for the Smithsonian Institution, The Ray Collection from Hupa Reservation. I was involved in a film documentary on the local basketmakers and one of the women interviewed wondered how the first woman to make a basket realized you had to strip the Woodwardia ferns by pounding them and taking the inner fiber out. The basket maker must spend tedious hours gathering and preparing materials prior to beginning to weave a basket.
