### The Art of Charles Simonds

NSW Police are now investigating whether the ship breached COVID-19 restrictions. Mark Simonds is the son of Simonds Home founder Gary, and has worked alongside his dad at the company for 40 years.

### Charles Simonds : Home Making

They are communal and belong to everyone until one person wants to possess them. Talk about your interest in children as it relates to your art. If a pedestrian — here also a reader — stumbles upon a dwelling with two partially constructed concentric circles surrounding a womblike center with a ladder sticking into it, he can freely and safely interpret it to be a dwelling of.

### Charles Simonds: An Interview

It was simply life, and to claim it within an art context insults the nature of the experience.

### 20 Charles Simonds ideas

Rail: To me this is a very interesting point; I deal with it now in my own life, the relationship of autobiography to my criticism, and you appear to be talking about the role of your autobiography, I mean from the earliest days in your art. Few obeyed the sexual restriction decree. It concerned only the people of the Lower East Side, Simonds being one among them.

### » Charles Simonds

Rail: Why do you object to that? Now I know communities; so for instance, to do the Munich project, I took the Metro to twenty different neighborhoods. Search to see your Reputation Profile, too.
