The Earthscan reader in environment, development and rural livelihoods : Sussex Research Online

Further information from fire fire. Round potato Solanum tuberosum production in Southern Highlands of Tanzania: are smallholder farmers becoming commercial? Acknowledgements xi In extending my sincere thanks to all those who have contributed, I do need to stress that the final choice of chapters was entirely my own and probably reflects a rather personal bias towards a certain view of world forestry. Colleagues at IUCN have also contributed ideas and Stewart Maginnis and Sandeep Sengupta adapted their paper on the global forest situation to meet the needs of the Reader.

Rural Transformation and Changing Rural

Larger contractors and suppliers invested their earnings in assets such as buildings or vehicles, which ensured longer-term returns.

DV413 Environmental Problems and Development Interventions

Martin 72 Part 2 Forests and Livelihoods 105 5 Poverty Alleviation and Tropical Forests: What Scope for Synergies? In association with farming, people kept livestock and highly depended on firewood for heating and cooking.

Table of contents for The Earthscan reader in forestry and development

From meeting needs to honouring rights: The evolution of community forestry.
