## 4 Practices to Promote Equity in the Classroom

Affirmative action programs remain one of the more controversial social policies in the United States. Faced with messages that a college degree is the ticket to the middle class, and tuition levels that are beyond their reach, borrowing by students and their families has soared.

### College Affordability and Completion: Ensuring a Pathway to Opportunity

Additionally, access to a high-quality education can be one of the most impactful means to overcoming the barriers to upward mobility for today's impoverished communities.

### 40.001

Some argue that we need new theories Kittay 1999 while others argue that existing theories and approaches can be applied to or extended to include individuals with disabilities Stark 2013; Robeyns 2006; Brighouse 2001. Afterwards, when an individual competes for a specific post, he or she might make specific choices which cause future inequalities — and these inequalities are deemed acceptable because of the previous presumption of fairness.

### Your Right to Equality in Education

They would note that even a year or two of college that ends with the student dropping out has some value in the labor market.

### Higher, the Discrimination Against Women in Academia

A: The Office of Equal Opportunity will review your request. As the phrase implies, Affirmative Action requires employers to make additional efforts to recruit, employ, and promote qualified members of groups formerly limited or excluded.

## **Equal Opportunity, Affirmative Action and Non**

Should we care about whether we are in society A or B? In the same field, or an M. The University of Oklahoma, recognizing its obligation to guarantee equal opportunity to all persons in all segments of University life, reaffirms its commitment to the continuation and expansion of positive programs which reinforce and strengthen its affirmative action policies.

## **Higher Education and the Opportunity Gap**

From the perspective of others who daily experience the consequences of ongoing discrimination, affirmative action is needed to protect opportunities likely to evaporate if an affirmative obligation to act fairly does not exist. The reasons for this are similar to our reasons for being concerned with educational opportunity in the first place. .
