## Rocque's Map of Georgian London, 1746

The simple C clasp was used right up to the 20th century.

## 10 dangers of Georgian London

It featured strongly in the later part of this period and was worn to remember the death of a loved one. I have never left a restaurant review before but felt obliged to in this instance to warn others like us not to trust the positive reviews.

## Black Personalities in Georgian England

Paul's Cathedral and emanating outwards in an expanding spiral in the counterclockwise direction, covering the central areas of London and Westminster, then south of the Thames, east London, and finally to northern London, with Hampstead and Highgate. Alternatively, bull-running was often organised in towns. Bull baiting was one such example; the animal was tied to a stake as dogs were sent in to attack, while a cheering and expectant crowd watched from the sidelines.

## Georgian London's rampant sex trade: The story behind ITV's Harlots

In London and the provinces, large purpose-built auditoriums were constructed to house the huge crowds that flocked nightly to see plays and musical performances.

## The Georgians: the facts

Sedan chairs clogged the streets Long before black cabs and Uber there was the sedan chair, a small cabin with a seat and a detachable roof mounted on two poles and carried by a pair of stout footmen.

## Warehouses and Shopping in Georgian England

The legal rights of defendants were something different from today. The hinge of the pin can also help to date the item

### **In brief**

The popularity of many blood sports began to disappear by the end of the century.

### **THE GEORGIAN, London**

This oddly located church on the Strand is the work of acclaimed architect James Gibbs — the first public project he embarked upon after returning from Italy where he had trained.
