## Chinese classic herbal formula

The compiler has undergone a text-critical review of his sources and added punctuation marks, as well as notes to the musical tunes. Picture Persistent Identifier Catalogue Persistent Identifier APA Citation 1850.

## Chinese Pinyin Lyrics: Mu Qin

These plays were discovered in sources other than Zang Maoxun, compiler of the Yuanquxuan, had used. The supplement Waibian is an important addition to the Yuanquxuan and includes otherwise not easy to find Yuan theatre plays. Unlike shi poetry or even ci poetry that were not sung although the textual pattern of ci poems is based on melodies , qu poetry was not only to be read aloud, but to be sung, and the vocabulary expressing the feelings and sentiments of the singing character therefore had to be adapted to a listening and viewing public.

## Chinese Avant

This peculiar use made it necessary that qu poetry served for very different types of language, adapted to the particular roles that were to sing the aria.
