Curry, III Social Change, Land Management and Conservation - Driving Change, 16.

A. Bonn, T. Allott, K. Hubacek, and J. Stewart (eds): Drivers of environmental change in uplands

The first part of the book examines the overarching external drivers of change to which land managers are subject and about which they can do little, such as long-term natural processes, the changing climate, and the changing nature of agricultural and environmental policy.

A. Bonn, T. Allott, K. Hubacek, and J. Stewart (eds): Drivers of environmental change in uplands

Membership and points are subject to the Qantas Frequent Flyer program terms and conditions. This book provides vital pointers to caring for our uplands with vigour and optimism. This book presents up-to-date scientific background information, addresses policy related issues and lays out

pressing land management questions.
