## Weed Control Handbook • Weebusters

This handbook is designed as a quick and ready reference for weed control practices and herbicides used in various cropping systems or sites in Idaho, Oregon, and Washington. From the small, unwanted invaders of flower-beds and lawns, to the irritating creeping vines and climbers, and the bigger shrubs and trees that may seem benign — Weebusters New Zealand has collected information on 100 of the most invasive weedy plants in one single volume. Q: Will you produce an html version for web browsing? Appendix 3 - How to read a pesticide label, 4 pages.
