## Honoka Shirahama

Shouwa Genroku Rakugo Shinjuu is a story set in both the past and present, depicting the art of Rakugo, the relationships it creates, and the lives and hearts of those dedicated to keeping the unique form of storytelling alive.

## Karoshi

During her second visit to Ryozanpaku, Honoka shows and how to properly make tea, which impresses them. As for the art style itself, it has a slightly different take than the usual character designs which was enticing; the backgrounds were detailed, despite being composed mainly of internal locations. Like the art of performing Rakugo itself, the story also manages to perform and balance a vast array of tonal shifts throughout the narrative without feeling forcefully steered in directions.

## What did Nishimiya say in the bridge scene? : KoeNoKatachi

In some cases it has been proven that firms were aware of the poor health of an employee. By the end of the show, audiences may have a total different view of some of the characters. It depicts the rise, fall and redemption of Yakumo and Sukeroku, and many of those around them.

## Steam Community :: Guide :: ( =•ω•= ) All endings walkthrough and 100% achievements guide

They're selfish, pigheaded, condescending, but also broken, affectionate and just looking for a place they belong. From the way it delicately crafted its narrative, to the organic transition in which its characters found their placement in it, everything Shouwa Genroku Rakugo Shinjuu did flowed like a poetic stream of unfiltered consciousness. The fundamentals of the story itself aren't what are impressive, but rather the manner in which it goes about executing it.

## Honoka Shirahama

Then after I sat back and let everything that had transpired sink in, it just hit me, a simple word, yet one that was able to properly express the

feelings that I had wadded up inside for this title. Audiences may have had the impression that it solely focuses on the profession, yet this is not the case. .

### **What did Nishimiya say in the bridge scene? : KoeNoKatachi**

Having a deep yearning to practice and perform Rakugo, a Japanese form of verbal entertainment that's essentially stage storytelling, he seeks out an apprenticeship under the guidance of Yakumo Yuurakutei, a man well renowned for his performing prowess in the field of Rakugo. While both boys found themselves in the world of Rakugo under similar circumstances, their relationship with the performing art itself differed vastly.

### **Steam Community :: Guide :: ( =•ω•= ) All endings walkthrough and 100% achievements guide**

Shouwa Rakugo deserves special mention for depicting sexual, adult relationships. Another aspect that is prevalent in the anime is drama: it was depicted in a subtle manner, without exaggerating it, making it much easier to digest and enjoy.

### **Shouwa Genroku Rakugo Shinjuu (Showa Genroku Rakugo Shinju)**

Limited version is hotter but standard version explained more about their inner feelings so it's more heartwarming. As character she may seem rather underdeveloped, yet through various scenes and interactions with her peers, it quickly becomes clear that she is not as shallow as she appears to be. Even though very subtly depicted, the show bases its portrayal of Rakugo from the perspective of slow decay.
