Not in a series, I believe. News music up and under REPORTER: The port of Valdez has been closed as the result of a massive oil spill by an Exxon tanker.

Hard Aground by James W. Hall

Reading Hard Aground reminds me of why I once sought out each Hall novel as it was published. You can see a black oil line, right here. It happens to all of us sooner or later.

Living on Earth: Hard Aground

The unexplained murder of an older woman who was an antiques dealer and a local historian then kicks off a long, bloody trail of old history and feuds, bringing Lewis and his historical home right into the center of the violent opioid epidemic, where no one is safe—and no one will be spared. This book shifted more to the Miami area as a point of historical and developmental interest.
